Featured Research

[Manitoba gambling and problem gambling 2006](#)

Lemaire, J., MacKay, T., & Patton, D. (2008).

It is part of the Addictions Foundation of Manitoba (AFM)'s mission to conduct gambling research with the goal of contributing to the reduction of harm associated with at-risk and problem gambling.

This report presents the findings of the Manitoba Gambling and Problem Gambling Prevalence Study from 2006. The purpose of this study was to explore the nature and extent of gambling and gambling problems in Manitoba in addition to describing the characteristics of individuals experiencing gambling-related problems. This telephone survey was conducted with a sample of 6,007 adults 18 years and older in the province.

Call for Papers, Grant Proposals, RFPs, and Nominations

[Call for Posters: NCRG Conference on Gambling and Addiction](#)

The Institute for Research on Pathological Gambling and Related Disorders coordinates a poster session at the annual NCRG Conference on Gambling and Addiction. The poster session, scheduled for 6:15 p.m. – 7:30 p.m. on Sunday,

Nov. 16, 2008, is an opportunity for investigators to report their empirical research about gambling and gambling disorders, and discuss it with conference attendees. We especially encourage young investigators to submit poster proposals.

Posters should report on empirical research that examines topics related to this year's conference: diagnosis of pathological gambling and DSM issues; public health policy on gambling; screening and brief interventions; treatment outcome research; Stages of Change theory; the impact of technology on gambling addiction; pharmacological management of gambling and substance use disorders; the social, economic and cultural impact of gambling; gambling and other risky behaviors among youth; responsible gaming programs; and culturally competent resources for ethnic minorities.

Deadline for submissions is September 2nd, 2008.

[Call for Nominations: NCRG Scientific Achievement Awards](#)

The National Center for Responsible Gaming (NCRG) is pleased to invite nominations for the 2008 Scientific Achievement Awards that annually recognize outstanding contributions to the field of gambling studies. The Young Investigator Award recognizes excellence in scientific contributions by a researcher whose advanced academic or professional degree (Ph.D., M.D. or other terminal degree) was received no earlier than 1998. The Senior Investigator Award honors an individual whose body of work has advanced the field of gambling-related research. The awards will be presented during the 9th Annual NCRG Conference on Gambling and Addiction, November 16-18, 2008.

Deadline for nominations is September 8th, 2008.

[Call for Papers: 14th International Conference on Gambling and Risk Taking](#)

The Institute for the Study of Gambling and Commercial Gaming, College of Business, at the University of Nevada, Reno is sponsoring the 14th International Conference on Gambling and Risk-Taking. The conference will take place May 25-29, 2009, at Harrah's Lake Tahoe in Stateline, Nevada.

The primary objectives of the conference are to contribute to the base of scientific knowledge about gambling in all its dimensions, to stimulate further research, and to facilitate discussion and dialogue about gambling and commercial gaming as it has developed and continues to evolve throughout the world.

Individuals and organizations are invited to submit papers for presentation at the Conference. Submissions are invited on any topics related to gambling as well as industry studies covering casinos, lotteries, horse racing, Internet gambling, pari-

mutuel wagering, etc. For specific topic categories, please see the Institute's website at www.unr.edu/gaming

Deadline for submissions is January 15th, 2009.
